**ADMINISTRATIVE MATTERS INTRODUCTION**

**A. 21-01499**

An Ordinance creating the competitive position of Chief Of Administration of the Baton Rouge Fire Department pursuant to Louisiana Revised Statutes 33:2481.6 and 33:2541.2.

**By: Baton Rouge Fire Department**

**Introduce for public hearing/meeting on November 10, 2021**

**The reason this item is being requested as an Administrative Matter:**

The state law requires that the governing body, the council, adopt an ordinance creating this position as a competitive position. Following the adoption of the ordinance, the matter must go to the fire and police civil service board to adopt such a class position. In order for all of these steps to be processed so the position can be filled near the beginning of the year 2022, the matter must be heard by the council without further delay.
